

Ant's Apple

Ant has an apple
And she wants to eat it all,
But everybody says
"No! You're too small!"

*"Well, I'm gonna eat this apple,
And I'm gonna eat it all!"*
Then she proved to everybody
That she wasn't too small!

Pretend to take a
bite from an apple.

So hold up an apple,
And hold it tight!
Then open your mouth
Like you're 'bout to take a bite!
