

Bounce a Ball

There's a game of basketball
And Bear would like to play.
But she can't bounce a ball at all!
She needs to learn today!

Bear just cannot bounce a ball.
What is she to do?
Bear needs a little bit of
Help from me and you!

Bounce a ball.

Bounce the ball, bounce the ball!
Bounce it up and down,
Listen as you bounce the ball,
To the bouncy sound!
