

Fireman Frog

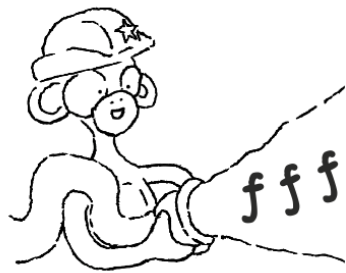

Froggie is a firefighter,
Caring kind and brave.
When there's an emergency,
Froggie saves the day!

Froggie puts out fires
With his special fire hose.
He sprays the water on the fire,
And out the fire goes.

ffffff

Hear the sound of water
Flowing through the spout.
We must all help Froggie now
To put the fire out!

ffffff

Use your fireman's hose
to put out the fire.
