

# Go, Go Gorilla!

When Gorilla's feeling good,  
When he feels his best,  
He says his sound: **g g g**,  
And proudly beats his chest!

**g g g g g**

He says that Gecko, Goat and Goose  
Can join in with him too!  
Anyone can join the fun  
And that's including you!

Beat your chest  
like a gorilla.

**g g g g g**

Gorilla thinks you're really great,  
With all that you've achieved to date  
Show the world that you're the best,  
By beating your gorilla chest!
