

Juggling Jellyfish

Who stole the jelly bowl? Who could it be?
And who let in that very silly jellyfish I see?

Jellyfish is jug-a-ling with jelly on her head!
What a silly jellyfishy! She should be in bed!
Jellyfish's juggling balls are jumping all around
When jellyfish is jug-a-ling, she makes a jolly sound!

Juggle balls in the air.

Jellyfish's jolly juggle makes the jelly jiggle
And the jelly's jolly jig gives everyone the giggles!
Just forget the stolen bowl and join the fun instead!
Juggle like a jellyfish with jelly on your head!
