

Lion and Lobster

Lion told me that he saw
A lobster sitting on the shore,
Lion headed down to go
And shake his hand to say hello.

Lion went to shake his hand,
But Lobster didn't understand!
Lobster clipped him with his claw
And by mistake cut Lion's paw!

Rub your wrist on
your chin, as if
licking your paw.

Lobster said he's very sorry,
Lion told him not to worry,
To stop the cut from feeling sore,
Lion can just lick his paw.
