

# Meerkat's Mangoes

Meerkat loves mangoes, juicy and sweet.  
For Meerkat, mangoes are a marvelous treat.  
So when their sweet smell fills up the room,  
Meerkat always says...

**mm - mmmmmm!**

Meerkat holds up his little paws  
His smile spreads and his spirit soars  
Mangoes make his taste buds bloom,  
Mangoes make him say...

**mm - mmmmmm!**

Hold up your  
meerkat paws,  
and smell those  
marvelous mangoes.
