

Newt's Nest

Newt knows it isn't best
To nap in someone else's nest
But little Newt is very dozy
And this nest looks warm and cozy...

Newt is getting sleepy,
Her knees are feeling weak,
She snuggles up inside the nest
And has a little sleep...

nnnnnnnn...

Newt is napping in the nest.
She's looking very cute
So close your eyes now,
Rest your head
And take a nap with Newt.

nnnnnnnn

Use your hands to
make a pillow and
take a nap.
