

Agent Fox

Calling Agent Fox...

We have a message from HQ.

The boss there has a very special mission just for you.

Head to these coordinates.

You will find a box.

Our agency has info on the way that it unlocks...

Here's the secret sign:

Make a cross with your arms.

This should both unlock it and disable the alarms.

What's that sound? We want to know,

Tell us agent Fox!

Let us know the secret sound that hides inside the box!
