

# Yucky Yak

Lucky Yak was on a yacht,  
Eating from a yogurt pot.  
When she got back from her yachting  
She could smell there's something rotting!

Yuck! What is that yucky smell?  
It smelt so bad she couldn't tell.  
Before she left, Yak had forgot  
To take the bins out! What a rot!

Pinch your nose to block  
out the yucky smell.

Yucky Yak, you'd never think  
That you could foster such a stink,  
A smell so bad it curls your toes!  
Well, now you have to hold your nose!
