

COWBOY CHRISTMAS

Words and Music by Paul Field

1 We're gonna have a cowboy Christmas,
The best you've ever seen,
With a campfire on the prairie to cook our grits and beans,
A rootin', tootin' Christmas here in the old Wild West,
Yippee-yai-yo-kai-yay,
A cowboy Christmas is the best!

2 We're gonna have a cowboy Christmas,
So tell your ma and pa,
We may not be little angels but we'll sing as if we are,
A wagon rolling Christmas, so saddle up and ride,
Yippee-yai-yo-kai-yay,
A cowboy Christmas will be fine!

3 INSTRUMENTAL

4 We're gonna have a cowboy Christmas,
So pass the cactus juice,
Make friends with everybody and barbecue a moose!
So may the light of Christmas shine on every trail you take,
Yippee-yai-yo-kai-yay,
A cowboy Christmas will be great!

5 We're gonna have a cowboy Christmas,
The best you've ever seen,
With a campfire on the prairie to cook our grits and beans,
A rootin', tootin' Christmas here in the old Wild West,
Yippee-yai-yo-kai-yay,
A cowboy Christmas is the best!
Yippee-yai-yo-kai-yay,
A cowboy Christmas is the best!
Yippee-yai-yo-kai-yaaaaaay,
A cowboy Christmas is the best!
