

# DEAR SANTA

Words and Music by Niki Davies

- 1 Dear Santa, dear Santa,  
What would I like?  
I think I'll start with a shiny new bike,  
'Cos I've been good,  
You knew I would,  
I've been a little dear all year!
  
- 2 Dear Santa, dear Santa,  
What would I like?  
New trainers, smart trainers, purple and white,  
'Cos I've been good,  
You knew I would,  
I've been a little dear all year!
  
- 3 Dear Santa, dear Santa,  
What would I like?  
A nice tennis racket, a ball and a kite,  
'Cos I've been good,  
You knew I would,  
I've been a little dear all year!
  
- 4 Dear Santa, dear Santa,  
What would I like?  
Some orange and yellow socks that look nice and bright,  
'Cos I've been good,  
You knew I would,  
I've been a little dear all year!
  
- 5 Dear Santa, dear Santa,  
What would I like?  
Please could you make sure you give me the bike?  
'Cos I've been good,  
You knew I would,  
I've been a little dear all year!
