

MERRY CHRISTMAS EVERYONE

Words and Music by Mark and Helen Johnson

1 Christmas is near,
It's that time of year,
When we eat up lots of turkey and mince pies.
It's time for party hats,
And good cheer,
Merry Christmas everyone!

CHORUS *When all the cards have been hung round the room,
When the last decoration has been made.
And when you see Christmas lights on the tree,
Sing Happy Birthday to Jesus again.*

2 Now is the time
When the church bells chime,
And the carol singers stand out in the cold.
It's time for mistletoe,
Don't be shy,
Merry Christmas everyone!

CHORUS

3 Christmas has come,
We're all having fun,
We've been making preparations for a while.
It's time to celebrate,
Sing along,
Merry Christmas everyone!

CHORUS *Now all the cards have been hung round the room,
And the last decoration has been made.
Now we can see Christmas lights on the tree,
It's Happy Birthday to Jesus again!
It's Happy Birthday to Jesus again!*
