Mission: Thrive & Shine

Welcome to **Mission: Thrive & Shine** – our school’s new challenge built on the values that shape who we are: **hope, trust, wisdom, friendship and endurance**.

This mission is about more than winning or completing tasks — it’s about **growing as people, lifting each other up**, and **pushing forward, even when it’s tough**.

Each challenge will invite you to show your **strength**, your **spirit**, and your **values in action**.

Whether you're solving a problem, helping a friend, or trying something new — you are thriving.

Once you have completed a challenge, ask an adult to sign it off. You may like to share some photos on Class Dojo or bring something in to show your teacher and class.

At the end of term, hand in this booklet. If you have completed all or some of the challenges, you will receive an award (bronze for 1 column, silver for 2 columns, gold for 3 columns and platinum for all 4 columns completed!)

Let’s thrive and shine – together.
